**Last Updated:** 2015-11-25

## Overview

This article contains links to 3<sup>rd</sup> party products and their help resources for exporting email lists. It also links to relevant links for how to abide by **CAN-SPAM** mass email policies. It's very beneficial to make sure your email list is as clean as possible if you're just getting started with mass email, this will help with open rates, and your overall ['email domain' reputation](#).
